SUSTAINABILITY ONLINE RESOURCE AND TOOLKIT FOR EDUCATION Launched 9th January 2008

Sorted is the new website helping you in Further Education and Work Based Learning.

GET Sorted and take your first steps to introduce sustainable development throughout your organisation.

Sorted will

- Help you understand why sustainability is important to you and your work
- Give you inspiration and practical ideas to get you started
- Point you to helpful resources, tools and case studies

Funded by:

Leading learning and skills
