Walking tour of the Environment Centre Wales

Reserve your place to take a look at this sustainable building. From the outset, the goal was to achieve an 'Excellent' rating for its design, which uses 'A' grade materials, energy efficiency measures, natural light and renewable energy technologies.

Morning tour to the Environment Centre Wales will take place on Tuesday and Wednesday mornings only and will start from outside Bar Uno at 8am sharp.

Conference WORKSHOPS Include:

Monday 22 March

- ❖ Campus procurement and global poverty
- ❖ The secrets of changing staff and student behaviour
- ❖ 'A human being is not a brain on a stick': exploring the role of imagination and emotion when teaching climate change, peak oil and other environmental crises
- ❖ Kyocera - Towards low-carbon documents
- ❖ Introduction to the EAUC Transport planning network / Promoting health benefits & making links with the university population
- ❖ Eight days to CRC EES – Are You Ready?

Tuesday 23 March

AM

- ❖ Embedding and delivering long term sustainability through the implementation of climate change action plans
- ❖ Achieving change through staff engagement
- ❖ Snap it off! Researching energy saving schemes in halls of residences.
- ❖ Travel planning & car sharing
