

**10.00-11.00** **Networking event: How can you find and nurture your inspirations and strength? (Atrium)**

This is a personal development session to kick-start your Conference – facilitated by **Kirsti Norris**, Action for Sustainability. We are aware of the enormous challenges of the world, and are constantly being told that it is too late, yet we try so hard to give an outward face of optimism, hope and strength. This session is a personal one – a chance for you to focus on your own needs and experiences. An opportunity for you to take off the mask, acknowledge the mess we're in and through this honesty return to your work with new strength and purpose. Note: Due to the structure of this session we are unable to accept any latecomers. No admittance will be allowed after the 10am start time. So please be early!

**11.00-11.30** **Registration – tea/coffee break (EMCC lobby)**

Catch up with your peers over a coffee. Visit the **Exchange Boards** – use the boards to post questions, meet up with colleagues and regional groups and sign-up for morning tours

## Together we are “greening the Conference”

The EAUC makes every effort to reduce its Conference carbon footprint. This year we are:

**Proud to offer GOLD Food for Life Accredited Conference menus - accredited by the Soil Association!** We have worked hard with the venue and the Soil Association to ensure healthy, seasonal and locally sourced menu\* items for all delegates.

**Providing dedicated recycling bins and collection for Conference generated rubbish - offered by EAUC Company Member SITA.**

**Measuring and reporting on the carbon footprint of the Conference - offered by EAUC Company Member, Greenstone Carbon Management.** All delegates and exhibitors have been asked to fill out the electronic survey. A report will be generated after the Conference.

**Actively promoting the EAUC sustainability hub to all exhibitors by offering ideas and advice on how to reduce their carbon footprint when selecting marketing materials.**
