

Carbon Literacy Training – Session 2

Learning Outcomes and Webinar Agenda

Welcome to Session 2

Session 2 will cover two more modules of the Climate Literacy work. You will be asked to look at a few different online resources and participate in an interactive webinar.

Please see the Learning Outcomes and Preparatory Activities Document for details of the activities you need to do in advance of the webinar session. We suggest setting aside 1.5 hours for this.

During our second webinar we will cover two Modules – Module 3 **Our Wider Influence** will consider how we can effectively communicate and encourage people around us to take action on climate change, and Module 4 **Taking Action** we will focus on individual and professional action planning to help you contribute to a Zero Carbon world.

Learning Outcomes for Session 2

Module 3 – Our Wider Influence

By the end of this module you will have:

- Explored the role of Colleges and Universities in delivering Zero Carbon
- Reflected on whom you can influence to take action on climate change and how
- Explored effective climate change communication strategies

Module 4 – Taking Action

By the end of this module you will have:

- Identified actions that you can take in terms of reducing your emissions from food, building & energy, consumption & waster, and travel & transport
- Reflected on how you can reduce carbon emissions through your job role
- Created one personal and one group action pledge

Agenda for Webinar 2

Times may vary depending on the interests of the group and the level of discussion for each topic.
