How to collaborate and approaches to creating and managing wildflower areas – led by University of Worcester

Biodiversity on Campus guide – where from here? – led by Michelle Dixon, NetSustain

Managing woodland and trees – led by University of Gloucestershire

How to book and travel directions

If you would like to attend, please book your place [here](#) and follow the instructions. To find out whether your institution is an EAUC member, please view the details below.

EAUC membership

A list of our current educational members can be found [here](#). To take advantage of EAUC membership, create a free account by registering on the [EAUC subscription page](#) using your institutional email address – simply select your institution in the drop-down box. You will then have access to all member-only resources, discounts and services! For more information on the EAUC visit www.eauc.org.uk.

Venue location:

EE G162, Lecture Theatre, Ground Floor, Edward Elgar Building
University Of Worcester
St John's Campus,
Henwick Grove,
Worcester,
WR2 6AJ

Please report to the St John's Campus reception on arrival.

Directions:

The St John's campus is 25-30 minutes' walk from Worcester Foregate Street station. The numbers 31, 31B, and 31E Henwick Park Services operated by First Travel connect the St John's campus to all university campuses and to the city centre bus station.

Worcester is served by two train stations. Worcester Foregate Street is situated in the city centre and is a 25-30 minute walk from the university or 5 minutes by taxi. Worcester Shrub Hill is a 40-45 minute walk from the university or 10 minutes by taxi.

If you are driving, the Long Stay Car Park (M) [on this map](#) is the most appropriate place to park. For more information please visit: www.worcester.ac.uk/discover/find-us-st-johns-campus.html

EAUC Biodiversity Event Menu

A locally sourced menu which uses herbs from the new herb garden on campus. The lunch is generously supported by SLR Consulting.
