

**EAUC Energy and Water Community of Practice meeting – Scope 3 and devolved budgets**  
Draft meeting agenda

Monday 25 July, Aston University (Birmingham, B4 7ET)

**10:00** Arrival/refreshments

**10:30** Introductions

**10:45** Scope 3 workshop:

- How do others report and reporting more accurately
- In house targets set – what is deemed a realistic target?
- What do people keep in leave out e.g. construction electricity; construction waste; electric car charge consumption?
- Better ways of capturing travel
- Should we keep with spend for waste and water data or move to usage?

**12:30** Networking lunch

**13:00** Lunchtime tours

**13:45** Devolved budget workshop:

- Known case studies
- Aston's experience
- How can we get finance on board?
- Does charging really work – should it be incentivised? (i.e. half savings given back)

**15:15** Wrap up, future discussion topics

**15:30** Close
