

**Jimmy Brannigan**  
**Director, NETpositive Futures**  
[jimmy@netpositivefutures.co.uk](mailto:jimmy@netpositivefutures.co.uk)

Jimmy is the co-founding director of NETpositive Futures Ltd and has worked on sustainability issues for over 20 years, helping a wide range of private and public sector organisations to integrate environmental and social considerations into business models and activities.

He has been a leader in sustainable procurement thinking and practice and has worked on numerous projects and initiatives in addition to providing advice and training to a number of organisations.

#### **Sustainable Procurement Activity:**

- Recently developed the sustainable procurement strategy for Oxford University and The University of Manchester
- Delivered a 2 year Environmental Action Fund Project working with 20 Universities and Colleges on Sustainable Procurement
- Delivered sustainable procurement training for over 70 universities
- Delivered the 'Poverty Aware Procurement Project' for the Environmental association for Universities and Colleges
