

# THE BIG DUMP

RECYCLE THE OLD BRING IN THE NEW

**We're creating a blank canvas for the new Leeds City College and will be placing designated bins around the college for recycling all your old branded merchandise and stationery.**

EVERYTHING will be recycled, and from September onwards we will have brand new Leeds City College stuff coming your way.

Feel free to take your old pens (and any other bits) home with you but EVERYTHING MUST GO by 1st September.

**Examples of what to Dump:**

- Plastics: Pens, Mousemats, Key rings, Memo block holders, Coasters
- Paper: anything with a logo on! Including wall planners, business cards, etc.
- Textiles: uniforms, t-shirts, lanyards

**Where's it all going?**

- All the paper based and plastic materials will be going to Leeds Paper Recycling in Pudsey for sorting; baling and then re-processing in the UK
- Textiles will be going to various Yorkshire based companies.
