LANDSCAPING OUR SOCIETY

Feeling stressed or over-worked?  
Come and escape to the garden at LOSI!

We are a friendly mix of both students and University staff who meet on Sunday afternoons to grow food, discuss ideas and drink tea. The relaxed environment is a great place to unwind. There regular socials with open fires and home cooked food and the chance to learn new skills from the breadth of departments already involved.

We're situated just behind Car Park 5, which is behind the EHB.

*Grow your  
own food*

*Have a  
cup of tea*

We have our own land in the centre of campus as well as funding to invite guest speakers along for talks and discussions.
