

Moving Towards Zero Waste in Universities

Diverting reusable items from landfill

Provides reuse schemes for halls of residence

Main outputs

- National Conference bringing key stakeholders together
- Online Reuse Guide and regional reuse contact lists
- Reuse activities including end of term reuse in halls of residence

Why reuse?

- Reduce predictable waste peak arising when students leave halls
- Provide reusable items at low cost to new students or donate to charities
- Reduce amount going to landfill
- Encourage real use of items and increase material efficiency
