Youth Participation in Policy Decision-Making on Climate Change Communication and Education: Examples and Recommendations

Friday February 11, 2022

09:30 IST/15:00 AEST

(Thursday February 10, 22:00 CST)

with

Heeta Lakhani

YOUNGO Global Youth Focal Point

Lucy Skelton

Founder/CEO, Student Voice Network

moderated by

Srishti Singh

**Centre for Environmental Education &
MECCE Project Regional Hub Co-Chair,
Australasia**

Recent waves of civil activism around the world have highlighted that increasing the quantity of quality climate change education is of utmost importance to many young people. This webinar will showcase examples of youth participation in policy and decision-making processes related to climate change education at intergovernmental and local levels. Join us as we explore barriers and enablers for effective participation and share key recommendations for those seeking to enable or increase youth participation in policy- and decision-making related to climate change education.
