## Lessons in Passivhaus

Friday 11<sup>th</sup> November 2016 - 9:30am to 1:30pm

Centre for Medicine, University of Leicester  
Lancaster Road, Leicester, LE1 7HA

Willmott Dixon recently completed the UK's first largest non-residential project built and certified to the Passivhaus ultra-low energy consumption standard - the Centre for Medicine at the University of Leicester.

We are delighted to invite you to join us at a lessons learnt seminar, where we will discuss the challenges and achievements that both Willmott Dixon and the University of Leicester experienced throughout the project.

The event will be held at the Centre for Medicine and will begin at 9.30am with refreshments. Following the presentation and Q and A session, there will be tours of the new facility and the event will conclude with lunch, finishing at 1.30pm.

We have a limited number of spaces so please register your interest to Anna Russell. email:  [Anna.Russell@uea.ac.uk](mailto:Anna.Russell@uea.ac.uk)
