Suggested copy:

- “Join EAUC Scotland at Perth Concert Hall on 31 March for Scotland’s only conference dedicated to sustainability in colleges and universities.

At a time of major new sustainability drivers for the sector, this conference will help you adapt to a new context and identify opportunities to get ahead of the curve.

Book your place before 6 March to receive an early bird discount. Learn more and book: <https://www.eauc.org.uk/about/projects-and-programmes/eauc-scotland/eauc-scotland-conference/>”

- “Storytelling will be a key focus of EAUC Scotland’s upcoming conference, taking place on 31 March at Perth Concert Hall.

University and college staff working on embedding sustainability in the sector will have a unique and cost-effective opportunity to develop skills that are increasingly fundamental to delivering sustainability in the sector. Across two plenary sessions, storytelling expert Karis Gill will provide simple frameworks and real-world examples to improve the impact of what you do day-in and day-out.

Book your place before 6 March to receive an early bird discount. Learn more and book: <https://www.eauc.org.uk/about/projects-and-programmes/eauc-scotland/eauc-scotland-conference/>”

- “At a time of major new sustainability drivers for the college and university sector, EAUC Scotland has designed a conference to meet the moment. Taking place at Perth Concert Hall on 31 March, this unique event will include two plenary workshops on storytelling for a positive impact, as well as breakout sessions on responding to the statutory guidance update, adaptation and much more.
